While sending a gift, abroad from Canada, (eaaaa,aabgee)

I came face to faces with a little dilemma. (eg,gggggeaaaaa)

All the stamps I had, bore a pic of the Queen, (aaaaa,abgeee)

More Queen Lizzie Twos than I had ever seen! (eggggggegaaa)

Ah- aaah! Ah- aaah! (gd,ba)

I couldn't bear, all those ugly royal stares! (agee,eeaaaaa)

Ah- aaah! Ah- aaah! (gd,ba)

What a scare! They gave me nasty nightmares! (1 bar strum) (gee,eeeeaaaa)

All of those Queens, were staring back at me, (aaaa,aabgee)

Bugaboo-eyed, and as, wrinkled as could be. (gggg,ge,aaaaa)

Geriatric clones, of the royal kind, (aaaaa,abgee)

They were horrid enough, to make me wanna go blind! (eegggg,gegaaaa)

Ah- aaah! Ah- aaah! (gd,ba)

I couldn't bear, all those ugly royal stares! (agee,eeaaaaa)

Ah- aaah! Ah- aaah! (gd,ba)

What a scare! They gave me nasty nightmares! (1 bar strum) (gee,eeeeaaaa)

Phase out those stamps, I begged of Canada Post. (aaaa,aabgeee)

Make stamps that look like art, instead of British ghosts! (eggggg,gegaaa)

Those Queenie stamps, scared the shit out of me! (aaaa,abgeee)

They left me scared, shitless, as much as I could be! (gegg,gg,gegaaa)

Ah- aaah! Ah- aaah! (gd,ba)

I couldn't bear, all those ugly royal stares! (agee,eeaaaaa)

Ah- aaah! Ah- aaah! (gd,ba)

What a scare! They gave me nasty nightmares! (1 bar strum) (gee,eeeeaaaa)

But Canada Post, much to my chagrin, (eaaaa,abgee)

Zoomed in on Liz, and showed more wrinkled skin, (gggg,gegaaa)

Their Photoshop skills, couldn't hide everything, (aaaaa,abgeee)

I hope it will improve, by when Prince Charlie is King! (geeggg,gegaaaa)

Ah- aaah! Ah- aaah! (gd,ba)

I cannot bear, Charlie's ultra-wrinkled stares! (agee,eeaaaaa)

Ah- aaah! Ah- aaah! (gd,ba)

What a scare! The thought of nastier nightmares! (gee,eegaaaaa)

Ah- aaah! Ah- AHHH!! AH- AHHH!!! \ (gd,dG,AB)
